

## RIGHT NOW MEDIA

Pastor Justin

Would you like access to an endless amount of high quality Christian teachings/videos? Have you ever wanted to be able to know more of the Old Testament Books? Well, now you can! A ministry called Right Now Media offers all that. You can with a click of a button watch a 7-9 min video on an Old Testament or New Testament book of the Bible and have a general idea of what it is all about. Or maybe you want to watch a video on marriage, or they have an entire section just for kids. Such as VeggieTales, Superbook, Bibleman, Adventures in Odyssey, and much much more. So how do you access all this? Very simple. Just google, [www.rightnowmedia.org/Account/Invite/CelinaFirst](http://www.rightnowmedia.org/Account/Invite/CelinaFirst)

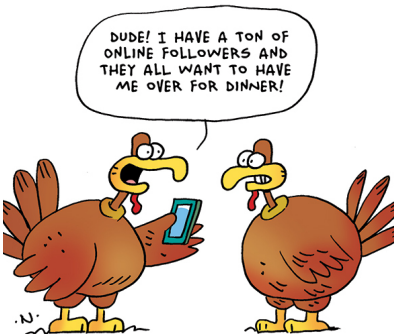

Thanks to our good friends at Celina First Church of God, they paid for and asked permission to share their subscription. These are just some of the benefits of so many churches working together! God is so good!

Once you log in, you can download an app on your phone, you can download certain videos to watch at your convenience. One thing I like to do with Leah, before bed we watch a book of the Bible together. We discuss it and then she goes to bed. She so enjoys the videos that even the book of Numbers was good!! :)

## THANKSGIVING THOUGHTS

Tom Sanford

Around the holidays, it always seems that people start to get stressed more and anxiety sets in. Let's look at it a different way this year. You are children of the King and He is sovereign over all. Nothing takes Him by surprise. So when trials come, know that your Father is allowing you to go through them. HE TRUSTS YOU! We are not perfect yet, so don't expect perfection. Let Him work through you and perfect you in His timing. Enjoy the holidays this year! As Ken Davis says, "Lighten up, and live!"

## NLCC THANKSGIVING MEAL

Pastor Bruce

**Dietrich Bonhoeffer said;**  
*"In ordinary life we hardly realize that we receive a great deal more than we give, and that it is only with gratitude that life becomes rich."*

I love this quote. I think for the most part we do not grasp the power of gratitude and thankfulness. Find a christian who has an attitude of gratitude and you will find a christian who has a big perspective of their God. Someone once said that the language of faith is gratitude. The apostle Paul said *"in everything give thanks for this is the will of God concerning you"*. So just as we celebrate the Thanksgiving holiday with family and friends, here at New Life we will be sharing a Thanksgiving meal together on **Tuesday, November 26, at 6:00pm**. The one **BIG CHANGE** this year is that we will be celebrating at **New Life's Worship Center** instead of the Grange Hall at the fairgrounds, now that we are better equipped for meals at the church building. I hope you will all make plans to be there to break bread together. You can see the box on the other page as to what you are to bring. As per our usual custom, there will be no Wednesday evening service that week as we prepare to celebrate Thanksgiving day. God bless us, everyone!

## PERU

Pastor Jason

We have been working in northern Peru now since 1998. It has become the focal point of much of our international outreach. ATM-Peru was established officially as a network in the Tarapoto area of the state of San Martin about 17 years ago. Since that time we have raised up many leaders through discipleship training and leadership schools.

In the Tarapoto area there are now several ATM-Peru related churches that have been planted and are growing in number. Most of the leaders of these works are deacons and elders raised up in the San Pablo church and are being sent out to lead them. It was exciting to have all these leaders meet in one place with one purpose as we held the first ever Conference of Churches for ATM-Peru.

Most of you remember and have met Pastor Jhon and his wife Rina. Jhon has been to New Life twice now, most recently in September of 2018. Jhon has been actively going out to many parts of the low jungle areas of the Amazon river basin. In doing so he and others are taking the Gospel to unreached people groups and planting new leaders in many places.

Myself and Pastor Gary were asked to come and preach and teach in the 3-day conference as honored guests as we have been a part of planting there from the beginning. The conference was amazing and God did what He always does and melded the themes together and gave great inspiration to the people. Continue to pray for the churches in Peru! God is moving!
