

KHM FUNDRAISER

Pastor Justin

Monthly Support - One of our main focuses as a ministry this year at our fundraiser is to raise monthly support. The reason for this is simple. In order to pay our teachers we need to have a consistent monthly income to be able to do so. As we expand our ministry we are in need of full-time teachers. Our ministry is privately funded, receiving no financial support from the schools. As a ministry, the vision for the future is to have 2-3 full time teachers on staff who can handle our “for credit classes” in the high schools. Even if you're unable to attend the fundraiser, would you please consider praying about whether or not you can support the ministry of KHM? We are on the frontlines on a daily basis reaching kids who would otherwise not be reached. Our goal is to encourage, empower, and equip these kids with the Word of God. We believe what the Word of God states, that it has the ability to change the condition of the human heart. Your giving is going directly to changing lives and empowering these kids to make right choices. We greatly appreciate your prayers and support. newLife THRIVE YOUTH CORNER

Spring Camp is just around the corner. For the second year in a row it will be held at Camp Michindoh. We had a blast last year. The food was super great and everyone enjoyed the teaching sessions. Of course, a meat shake challenge will be incorporated again to see who gets to take the trophy back to their church. New Life has won back to back challenges! Make sure you're signed up because you won't want to miss this camp!

2020 FINANCIAL OUTLOOK

Pastor Jason

Last Wednesday night I covered the 2019 Year-end Financial Report for the church. Every year we do this in compliance with the IRS standards. We always use this time to remind members of the financial structure that we have in place for New Life in the areas of Tithes, Offerings, and Alms according to the biblical precedent set forth in God's Word.

The beginning of 2019 was exciting as we finished the Phase 2 construction of more classroom space, a kitchen, new interior HVAC units, and the doubling of the size of the restrooms. We were able to do this WITHOUT adding any debt to the church due to the generous giving we experienced in May of 2018! Additionally, we were able to add yet another row of parking in the lot, install a drainage tile from the parking lot to the creek, and level the ground in the north end of our property, add several trees to the property, as well as several other smaller items that needed updated or repaired.

As it stands now we only owe one investor back for the money we borrowed for the Phase 1 building project we undertook a few years ago. We continue to put \$2,500 per month in escrow to repay this final debt. At this pace we should be completely DEBT FREE by the Fall of this year! Praise God!

Looking ahead, once we are debt free we will continue to explore ideas we have had to further improve our property for even greater use of what we have. That will eventually include the construction of a nice shelter house to host outdoor cookouts, youth events, team events, etc. We have already received money to start an account specifically for this future request.

Lastly, we want to remind you that although we put much money into the property (necessarily) over the past couple years, our first priority is still to invest in ministry more than anything else!

DISCIPLESHIP CLASSES

Discipleship 4: Feb. 9, 16, 8 - 9:15 am

WEDNESDAY NIGHT SERVICES

Pastor Justin

Starting February 12, we have some exciting things coming to New Life on Wednesday nights! Here is what we will be offering.

“I Said This, You Heard That.”

This class is going to run for approximately 7-8 weeks, and is designed to teach you how to better understand yourself and those around you. Also, to effectively communicate and to effectively listen to those who are communicating with

you. The purchase of a workbook is necessary to follow along from a week to week basis. We are going to encourage our youth kids to attend this class with their

You Heard That”, you probably have figured out that this children's curriculum lasts 4 weeks longer. We will supplement with another class for the parents to go the full length of 12 weeks.

Expository sermon

1 Timothy

For those who want to do a book study we will be teaching out of the book of 1 Timothy. We believe

that there are many truths found in this book that we can apply to our life today. All you will need for this class is your Bible and journal!

Flow of the night

Youth will still come

parents. This class will be taught by Danielle and Jason Monfort.

Children's Church Classes

Our children's church team is so excited to be able to equip our younger generation with the ABCD's of prophecy and how to read the Bible. It needs to be understood that this isn't "daycare", this is our teachers equipping your children week after week with a whole new curriculum. The classes will be for Pre-school to 5 yr olds and then another class K-6 grade. This curriculum lasts 12 weeks, so we are asking parents to make sure your kids are able to attend all 12 weeks if possible. For the parents who are in the class, "I Said This,

at 6:30PM and do youth stuff up until about 7:15PM. If you're able, we have the "war room" at 6:30 PM. This is a time of prayer and intercession. We will start our service at 7 PM like normal followed by a couple songs, as the Lord would lead. After this, we will dismiss the kids and adults back to their classes. The remaining individuals will stay for the expository sermon. The youth will end youth group at 7:15 and join their parents for the "I Said This, You Heard That" class. We hope you are as excited about this as we are!
