

CONGRATULATIONS

Jeff Monfort

Please congratulate these folks for their commitment to Discipleship 2 class! A celebration picture shows them wearing some sporty, new D2 “limited edition” designer knit gloves. Shown in classic white and black just in time for summer!!

The white gloves have a bold, custom designed Greek preposition “EN” embroidered on each, demonstrating their commitment to "put on" Christ and abide in a fixed position “IN” Him.

Join us in August as we continue the journey “INWARD” when Discipleship 3 starts up! Registration sign-up sheet in church foyer.

GETTING TO KNOW YOU

Tom Sanford

Let me introduce you to Rick and Kim Burnett. This amazing couple lives in Van Wert and make the drive every week to participate in, as well as, serve our body here at New Life. They are as nice as they come and always willing to serve. Married for 7 years, they still feel like they are on a perpetual honeymoon. Now that is definitely a gift from God to feel this way! Rick fell in love with Kim's heart for the Lord and both of them say that God made it plain and destined for them. They have been coming approximately 3 years. Rick was ordained as a deacon at an ATM affiliated church in Van Wert, then continued deaconing here at New Life where we very much appreciate him helping lead the service team. Between these 2, they have 6 adult children and are blessed with grandchildren. Both are disciplined very well and know the Word of God. You could learn a lot from Rick and Kim in spiritual matters. Kim grew up in Waco, TX and is the youngest of 3 children in her family. She loves to read, play the piano, and enjoys board games. Rick was born and raised in Van Wert, and is the oldest of 5 in his family. He really enjoys restoring classic cars and one of his favorites is his 1942 Plymouth 4 door sedan. A fun fact about these two is that they both follow a one year reading plan for the Bible together every single year! If you have Bible related questions, they may very well be a great source to ask first! Take the time to get to know this great couple and you will not regret it.

THE WORD WILL BRING ADVERSITY

Pastor Justin

"Until the time that his word came to pass, the word of the Lord tried him." Ps 105:19

As a young boy, Joseph had received two dreams that forever changed his life. Both dreams involved his father, mother, and brothers all bowing down to him. After listening to Joseph share his dreams with them, the Scripture says that they became envious of their little brother. Hatred and jealousy started to brew on the inside of them. As any young little teenager, I'm sure

lower pits of the prison system. Only by the hand of God does Joseph get to stand before Pharaoh and then he becomes second in command. What a change of circumstances. How does this all relate to us? When we get a word spoken to us via a pastor, prophet, or God speaking to us as we are in

His Word, we must understand this basic principle. That we will be tested and tried according to the word being spoken to us. All throughout Scripture, we see

The word given to Joseph tried and tested him until its ultimate fulfillment.

Joseph was very mature in telling his brothers how they would bow down to him! I kind of feel for the older brothers. I think I probably would have felt the same way they had felt. As a quick summary, they fake his death, sell him into slavery, and tell their dad that a wild beast killed Joseph. Not even Judge Judy has a messed up story like this on her show! Joseph ends up working his way up through the ranks of slavery, only to get falsely accused and put back into the

this pattern. David is anointed as a young boy, then he immediately gets tested by Goliath and then King Saul chasing him down as a wild dog. Jesus gets anointed at the Jordan river and then is immediately sent into the wilderness to be tested by Satan. Jesus tells us in the parable of the sower and the seed, that the word is going to come under attack once it is planted. Matthew 13. The next time you get a word, be prepared for adversity!
