

KHM SIGNUP

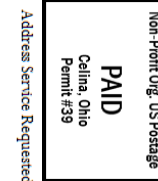

Tom Sanford

Parents: You have an opportunity coming up for your high schooler to have the Word of God deposited into them basically everyday this school year! Kingdom Harvest Ministries curriculum this year is “I don’t have enough faith to be an atheist,” by Frank Turek. Our focus is on apologetics, which is defending the faith and classes will be held Monday through Friday during the students lunch period, 10:25 am - 11:25 am. Lunch will be provided and all of this is NO COST to you. But wait! There’s more! Your student will be gaining college credit at the completion of each course which would transfer to our own Destiny School of Ministry (DSM)! This should sound like a “Win-Win” situation I could imagine. So if you have a high schooler (homeschool or public school student) to sign up please see either Pastor Justin or Tom Sanford, or go to our KHM Facebook page and click the link to register. You may also go to our website at www.kingdomharvestministries.org. Please don’t let this moment go by when you can have your child grow closer to the Lord. If the decision is solely left up to the student, typically what we find is that they are plenty busy and choose otherwise to avoid adding something else to their schedule. We encourage you to reconsider other items on the schedule and make learning about The Lord the main priority.

THRIVE YOUTH CORNER

Youth: This year has been a blast, and it’s not even over yet! Thanks so much for your help with the garage sale this year. Setting up and tearing down along with the days in between. Make sure you are grateful and thankful for those who donated so much to bless us. A reminder that we encourage you to attend the Casting Crowns event at the fair with your family. We will not be doing a youth sponsored section this year. Don’t forget upcoming is our youth corn maze at Suter Farms and then we have our ATM winter camp January 14-17 (MLK Weekend) at the St. Mary’s campground. Plan now for this camp and you can certainly pay ahead in installments and even work towards paying off your camp!

PRIESTS UNTO GOD

Pastor Justin

“You are My Son, today I have begotten You. You are a priest forever according to the order of Melchizedek.” Hebrews 5:5-6. What is the author of Hebrews trying to communicate to us in regards to the priesthood of Melchizedek? At the root of this new priesthood, sonship is its basis. Jesus, the first born, has demonstrated what it is like to be a priest in this new order. We as His brethren, born ones, are to follow the example that Jesus has set. We are pure, because He first was pure. We are righteous, because He first was righteous. One of the main purposes of Jesus coming to earth was to be able to have a priesthood of sons and daughters. Hebrews 2 states **“that it was fitting for Him, for whom are all things and by whom are all things, that bringing many sons to glory, to make the captain of their salvation perfect through sufferings.”**

The work of the priesthood is to reveal and communicate the blessed life of sonship. As sons, what is our responsibility? We are to reflect the life of Jesus in our lives, as mature sons, to a dying world. Just as Jesus served as a priest to the world of His day, so we are to live as priests to the world in which we live in. Jesus was bringing the relating of one reality into another. He was taking heaven and manifesting it into this earthly realm. If this is what He did, why would we not do the same thing? Jesus said He could see angels ascending and descending upon Himself. We need to raise our expectations to match what Jesus said of us. That we can heal the sick, cast out demons, rise above depression and anxiety, and that joy and peace are our portion. Don't settle for anything less as a priest of God!

LIES, DECEPTION & THE TRUTH

Pastor Jason

We are living in very fast changing times. Almost daily we are seeing unprecedented decisions being made by government officials across the land trying to restrict our freedoms, violate our bodies, and impose their will upon us. There are so many lies and deceptions and even strong delusions being propagated today. Who can we trust, who can we believe? The media, once a bastion of truthful news reporting, has now become the propaganda arm

*Who can we trust?
Who can we believe?*

of Left-wing and socialistic policies. This past week alone we have seen governmental leaders declare that private businesses should not allow unvaccinated people admission into their stores/restaurants. Is this the calm before the storm of what is coming next? Is this the predecessor to the “Mark of the Beast” as described in Revelation 13? It certainly feels that way! Making statements about not being able to buy or sell anything without the vaccine sounds eerily close to what I

read in Scripture at the end of The Book. Limiting access to stores, restaurants, and entertainment venues is just the beginning.

It makes no difference to me if you feel like you should or should not take this shot. That is a personal conviction that each of us has to take before the Lord and then act upon it. Many of us have had flu shots over the years and yet others have chosen to never get them. Is one right and the other wrong? No. In the past we have been able to make those decisions for ourselves and

moving forward it should be the same. I personally have never had a flu shot. You can say that I was “taking my chances” or “rolling the dice” on whether I would ever get the flu but that was MY decision to make. No amount of strong-arming or coercion should be employed by a government upon the people that it serves! This is the very deception and strong delusion we have been warned about for centuries! It's time for the Church to wake up and be ready for what lies ahead!
