

SANCTUARY CITY UPDATE

Pastor Jason

Once again I would like to thank everyone for your prayers and support as we continue to fight for the unborn in our city. Monday night, 30 citizens of Celina addressed City Council. 24 of them (80%) were strongly in favor of this Pro-Life legislation. Still the votes were 2 YEA and 4 NAY. This is not a time to despair though. One YES vote was absent so as it stands only 1 other member needs to change their mind. This on a Council where 6 of the 7 claim to be Pro-Life! We need to pray for God's intervention. He can change hearts and circumstances to swing in His favor! I like our odds! Even if this legislation fails in the 3rd and final reading on Nov. 22, we can still create a voter initiative to put this issue on the ballot and let the people ultimately decide. Either path leads to an ultimate victory for life, and puts our little city on the map as a beacon of light and hope for Life and Liberty! Continue to pray for City Council and for the lives this will impact.

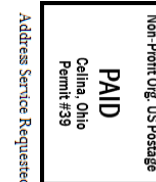

THRIVE YOUTH CORNER

We are in the season of thankfulness right now. We can never forget all that the Lord has done for us. For the LORD is good; His mercy is everlasting And His faithfulness is to all generations.” - Psalm 100:5 We talk a lot about how God loves us, but I don’t know if we truly understand how He causes all things to work out for the good of those who love Him.” - Romans 8:28. God is for you and cares about every detail of your life. In this time, I believe that He is showing His faithfulness in many more ways than we could imagine. I challenge you all to devote everyday this month and next to being thankful for God’s blessings. Find something different every single day to thank Him for. Will you accept the challenge?

GETTING TO KNOW YOU

Tom Sanford

Let me introduce you to Herb and Deb Muhlenkamp. There is a good chance you would have already met this great couple as they are involved in many civic as well as community events. They just celebrated their 46th Wedding Anniversary this week! They have 3 adult children in 3 different states including as far as Oregon! Between their kids, there are 7 grandchildren ranging from college age to 7 months old! Herb comes from a family of 13 children growing up in Coldwater on a dairy farm. He earned an accounting degree from Wright State University Lake Campus and was interested in politics as well. He currently owns his own accounting business, is the head accountant at a trucking company in Greenville, and is the fiscal officer for Hopewell Township. Deb grew up in St. Henry and was the oldest of her parents' 5 children. A cheerleader in high school, Deb made the National Honor Society and decided to work right after graduation. She is currently a teacher aide at Grace Missionary's Pre-School where she has been for the past 5 years.

They live outside of Celina and have attended New Life since May 2018. They like the worship and preaching at New Life a lot! They appreciate the transparency the elders have had concerning current events and shepherding the flock. This neat couple really enjoy camping, hiking trails, and all kinds of activities in nature. They are prudent and practical, and enjoy spending time with their natural family as well as their spiritual family! Get to know them as they are very enjoyable to talk to.

DENNIS CRAMER FOLLOWUP

Pastor Justin

1 Corinthians 14:1 - Pursue love, and desire spiritual gifts, but especially that you may prophesy. Paul is exhorting us to run after the goal of being able to prophesy. This verse isn't just for the leadership of the church, but for the layman in the church. All of us need to desire this. This year, we were blown away by the attendance at the conference! We had around 105 in attendance to learn how to hear from God! From everyone we spoke with, they were so blessed by this 3-day prophetic conference. You might be asking yourself, what to do next? Well, it's time to put into use what you have learned. It's time to activate your gifts. Our church is a safe environment for you to begin to stretch yourself. Paul exhorted Timothy to stir up the gifts that were within him. One of the challenges we all face in life is the temptation to become complacent with what we have. We are called to be rivers of living water, not pools of stagnation! God desires for His people to have a prophetic edge to all their words they speak! For those of you who didn't attend, we will be making the video series available in the near future. If you received a prophetic word and would like to go over, please contact the office to set up a time to review your word.
