

POWER PACKED LINEUP

Pastor Bruce

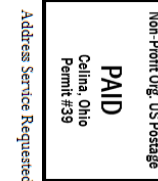

We are very excited about our line up of ministers in this first half of the year. We did not start out to make this happen but things just seemed to fall in to place. We started the New Year with Linda Hanna giving us a powerful message and ministry to many of you and then Pastor Gary gave a 3 day seminar on End-Times events. This month we were privileged to have Bert Farias and his wife Carolyn with us for a powerful time of ministry. On into March, Becky Murray is here on the 20th and Kerry Kirkwood, March 24-27, will be with us for another 3-day seminar on the Power of Blessing. Then, April 24, Chuck Porta from Minneapolis whom Pastor Gary and I have known since the 1980's will be with us. Chuck has been a key player in the apostolic/prophetic movement. Finally, to round it all off, Dennis Cramer will be with us again in May. We feel all of this is a divine appointment to help build us up in the spirit as we are heading into these difficult days of uncertainty. I hope you will all come *“expecting”* to receive from the Lord.

THRIVE YOUTH CORNER

Leadership

We have been blessed by the Lord with great leadership in our church. As youth leaders, we have greatly appreciated the students who help lead as well. Sophomores through seniors have had the opportunity to apply for “Student leader” positions, allowing them to join in on youth leader meetings and help plan lessons. These students give us great feedback as to games, topics to teach from, and help with general set up and tear down. They in turn are learning responsibility, planning/organization, and genuine life experience. This is a win-win scenario for everyone. The leadership principle that the Lord has instilled in this life amazes me. It is truly fantastic to see the youth involved and maturing in their leadership.

DESTINY SCHOOL OF MINISTRY

Pastor Justin

DSM - Five reasons why you should join DSM.

- 1. Discovery** - Your destiny is not something you decide but discover! We are here to help you discover why God has placed you on this earth!
- 2. Flexibility** - The class schedule is very flexible, meaning you can join a class when it fits your schedule. We offer classes on Monday and Wednesday mornings this school year. What we teach on a Monday morning will coincide with what we will teach Wednesday. Our **Tuesday night** class is not associated with the Monday/Wednesday class.
- 3. Concise** - The length of classes is **only four weeks** at a time! All of us should be able to hold a 4-week commitment to attend a class.
- 4. Focus** - Only two courses will be running at the same time. This is intentional. Why? When studying multiple subjects, we don't retain much of what we learn. The best way to learn is focusing on one or two things. We will run our courses for four weeks with **only two courses at a time**.
- 5. Growth** - We all should have the desire to grow in the Lord. Paul told Timothy that his spiritual growth should be his obsession. Not be obsessed about being a good religious person, but obsessing over knowing Christ with all of his heart and mind.

BECKY MURRAY WILL BE HERE

Pastor Jason

March 20, Becky Murray from One by One Ministry will be ministering at New Life! We are very excited to have her back with us as she is making several stops on her visit to the USA. Becky and her husband Matthew have ministered here several times over the past 8 to 10 years. A couple of our people have even been to their school / orphanage in Kenya to minister to the children there. Becky has been the Dignity Project in several nations which educates girls and young women on purity. They have also rescued many children in Pakistan from slavery in the brick factories through the school there. This past year, they smuggled numerous Christians out of Afghanistan during the US withdrawal. These people were being targeted by the Taliban for execution. Many of you gave to that effort and saved many lives! Her stories are amazing so you won't want to miss this service!

KERRY KIRKWOOD HERE IN MARCH

Kerry Kirkwood will be here March 24 - 27. Thursday, Friday, and Saturday he will be hosting his Power of Blessing seminar at New Life. Everyone can register online for the conference. Kerry is an outstanding Bible teacher and prophetic voice in the ministry is always a blessing to us and I am sure all who come to this seminar will measure!" make it Thursday - If you are unable to because Kerry will be sharing the word on Sunday morning with the church. So bring a notebook and get ready to be blown away by the volume of godly wisdom he will certainly be imparting to us during his time here!
