ALARMING STATISTICS

Pastor Doyle

In our technically advanced world today, you can get statistics on about anything. Here are some thought provoking statistics on the giving of Americans today.

- Only 3-5% of Americans who give to their local church do so by regularly tithing.
 - When surveyed, 17% of Americans say they regularly tithe.
 - For Christian families making less than \$20K per year, 8% of them gave at least 10% in tithing. For families making a minimum of \$75K or more, the figure drops to just 1%.
 - The average donation by adults who attend U.S. Protestant churches is about \$17 a week.
 - 77% of those who tithe give 11%-20% or more of their income.
 - 97% of Christians who tithe make it a top financial priority to give to their local church.
 - The tithing Christian is 3 times more likely to support their church's building project than they are to support children and orphans.
 - 7 out of 10 titthers do so based on their gross income and not their net income.
 - People are more likely to practice tithing when they begin the practice in their teens or early twenties.
- As we have continued to accelerate in knowledge, we as a culture are continually drifting from the inspired Word of God. For the Church to mature we must grow-up in obeying the voice of our heavenly Father.

Acts 20:35 "And I have been a constant example of how you can help those in need by working hard. You should remember the words of the Lord Jesus: 'It is more blessed to give than to receive.'"

PROPHETIC SCHOOL

Pastor Justin

Prophecy for all? Does God expect all of us to be able to prophesy? If you answered yes, you're doing pretty good! Now, the next question is, when was the last time you gave someone a prophetic word? If you can't remember, uh oh!

Just like when we have to get a tune-up for our cars, tires rotated, oil changed, etc., so we need to do the same in a spiritual sense. When was the last time you got a spiritual tune-up? A

spiritual tune-up could be best described as putting yourself into a prolonged environment of learning.

God does expect all of us to be able to prophesy. As followers of Christ, we are fashioned and created with the ability to speak on behalf of God.

At NLCC, we consider ourselves to have a prophetic edge to the words we speak. We highly encourage you to attend

our upcoming conference, Nov. 3 & 4, with prophet Dennis Cramer. It is a rare opportunity to have such a highly qualified, seasoned prophet in our midst. The last time he taught level 2 & 3 of his prophetic school was back in 2007! Now is the time to take advantage of this great opportunity.

Honestly, this will probably be the last time he teaches this class. If you want to take your prophetic skill set to the next level, please sign up soon. You can register by

going to www.destinyschoolofministry.org. Click on "conference registration".

1 Corinthians 14:1 "Pursue love, yet desire earnestly spiritual gifts, but especially that you may prophesy!" We all should have a desire to prophesy! If your desire is low, ask God to increase that desire and begin to step out in faith!

prophesy!*
