Did you know that you can buy gift cards for things you already plan to purchase, AND support the youth group at the same time? *Raise Right* works with many businesses, and they give various percentages of each gift card sale back to our group. Many e-gift cards and reloadable gift cards can be purchased anytime throughout the year from any youth group member. However, we have two more physical gift card orders that will be placed yet this year. Thanks for participating in this fundraiser to support our THRIVE Youth students!

Place your physical gift card orders by the next two dates:

July 30 (think summer vacations, projects, and more!)

December 10 (think Christmas, birthdays, get-aways, etc.)

Our very own Hazelnut Coffeehouse owners are also participating in this fundraiser, and 15% of their gift card sales will go to our youth!

Note: Some gift cards can only be purchased physically so it's important to order those by the order dates and plan ahead when you can! Some examples would be Visa, Menards, Marathon, Shell (can be reloaded in the app after purchased), McDonald's, Best Western, Canopy by Hilton, Double Tree by Hilton, Embassy Suites by Hilton, Fairmont Hotels, Hampton by Hilton, Hilton, and many more!

The flyer and links to the list of available cards can be found on the New Life Facebook group, or you can see Laura Sanford or Angie Kirk for a link or with any questions.

GETTING TO KNOW YOU

Sharon Long

We, at New Life Christian Center, are so blessed to have Jeff and Jodi Kerr as part of our church family. They live in Celina and have been married for 35 years. They have two children and four granddaughters. Jeff and Jodi have both taught in the public school for many years. Jeff recently retired after teaching at Parkway and Coldwater Schools for 30 years. He also enjoyed coaching numerous sports while employed at these school districts. Jodi would like to retire in a couple of years, although she says she will miss her kindergarten kids in the Parkway School system. She soon will have completed 35 years of teaching. Jodi also works part time at Hazelnut Coffee Shop and enjoys her the community. Her hobbies are walking, riding bikes, and Jeff's hobbies include coaching different like to vacation and the Branson, Missouri parents live. Jeff says anywhere there is a visions from the Lord and worshipping through music are some of the gifts Jeff has received. He states that playing guitar on the worship team is a way he likes to serve in the church. Jodi reports her gifts are serving and building up the body of Christ. She says she likes to serve in ways she can encourage others. Jeff and Jodi were members of Mount Tabor Church of God for many years, and recently decided to make New Life their home. If you have not introduced yourself to this dear couple, don't let another Sunday go by until you do! The Kerrs are certainly a positive addition to our New Life family.

WEDNESDAY NIGHTS

Pastor Jason

Gifts of the Spirit:

If you haven't been coming to our Wednesday night services lately, you've been missing out on activating the gifts of the Spirit! We have been teaching on and activating the various gifts of the Holy Spirit that the Bible says will be evident in the life of the Believers. Lately we have been practicing our prophetic gifts by having people come forward to receive prayer/prophetic words from 4 different groups of prophetic teams. Over 30 different people (who are NOT the pastors of

Marriage Workshops:

Starting in June we will be taking the first Wednesday of every month to work on and equip our marriages to be even better. EVERY first Wednesday we will dismiss all married couples to the back to be a part of this ongoing effort to make the marriages in our church stronger than ever before. We will discuss communication, expectations, emotional and physical intimacy, and SEX! Hopefully that got your attention! God has much to say about marriage and we really don't

the church) have been hearing from God and ministering in their emerging prophetic gifts. This is truly exciting as this is exactly what God has always wanted...the perfecting of the SAINTS for the work of the ministry! Ephesians 4:12. We plan to continue this trend for a couple more weeks so if you know of someone who really needs to hear from God or may need some direction, invite them to come on a Wednesday night soon!

talk about it. Pastor Gary will be doing an ongoing teaching in the sanctuary for those that are not in the marriage workshop each month. Rather than packing it into several weeks, we felt it would be more beneficial to focus on and work on skills within the marriage month after month. This will likely continue for a year moving forward.
