As we get closer to our 2024 ATM Kingdom Camp, everyone at Thrive Youth is excited for another great camp with our fellow ATM churches! This year we are expecting nearly eighty students to attend; our largest camp yet! Every year we come with the expectation of seeing the Lord move in a mighty way in the lives of each one of the youth who attend, and this year is no exception. We have some exciting new additions we are bringing to this year's camp, including a new guest speaker: Pastor Caleb King! Every year at camp, we see God move in a mighty way, impacting the lives of each one of our youth. We hope to see this continue this year, especially with the continual growth in the number of youth who attend. We ask our church family to please keep all of us in your prayers as we hope to see the next generation continue to grow in their relationship with the Lord!

## GETTING TO KNOW YOU

Sharon Long

I would like to introduce you to a beautiful lady and her energetic children, the Farler family. Angela has 4 children, one of which is in heaven with Jesus (Quincey would be 18). Sebastian is 9 and loves Jesus, science, football, and running. Maddison will soon be 7 and shares the same love for Jesus, plus dance, cheer, and gymnastics. Matisyalee (Maht-is-he-ah-lee) is 4 1/2 years old, loves Jesus, baseball and reckless bike riding (kicking his training wheels to the curb at the age of 3). The family's hobbies include sharing the gospel, camping, hiking, bike rides, waterfall chasing, and roller coasters. Angela enjoys gardening while the kids swim. She has been an RN for 12 years with a focus on holistic health, but recently felt the Lord call her out of that field. Currently Angela cleans houses while seeking the Lord's guidance of where He hopes that include at Destiny School of desire one day to work Angela reports they all of intercession and a The family has about 9 months now, continue to attend their previous church in Van Wert with their father. Angela's favorite solo vacation was to Australia in 2012. The family's best vacation was attending the *Alive Music Festival* of 2023, a christian retreat where all 3 children made the decision to be water baptized. Angela decided to re-dedicate her life to Jesus that day and was re-baptized with them. The family has 2 pets, a Maine Coon kitty named Jericho, and a giant Schnauzer, Hannah. When asked about what she would do with \$1 million, Angela says she would buy several acres of land to build a forever home, and begin a God-centered, holistic-minded health practice for women and their families, including natural childbirth to the battle field of raising families, overcoming addictions, and more! If you have not met this incredible family, please do so at the next service. They are a remarkable addition to our church family!

## DISCIPLESHIP CLASSES

**Discipleship 1: July 7, 5:00 - 7:00 pm**

## DISCIPLESHIP 3 COMPLETION

Jeff Monfort

Discipleship is a part of the DNA culture of New Life and one of the most pressing needs in the church today. True discipleship will result in a healthy church that is well prepared to face the challenges of life AND fulfill our destiny to be the LIGHT of the world and the SALT of the earth.

Discipleship 3 is an intentional course designed for "inReach" to explore the INWARD PATH of pursuing and coming to the Lord. David's one heart's desire of Psalm 27:4 is the D3 theme verse which breaks into a 3-part focus:

Part 1: "Practicing God's Presence"

Part 2: "Beholding God's Beauty"

Part 3: "Inquiring Inside His Temple"

Recently, this group of faithful disciples completed the 3rd level of D3! They have shown themselves as diligent Explorers over three levels and three years of D3 and shown beyond doubt that "not all who wander are lost!" Good leaders know the way, go the way, and show the way.

Notice their smiling faces and graduation caps! Please encourage these saints the next time you see them. Congratulations!
