newLife THRIVE YOUTH CORNER

Recently at Thrive Youth, we have been teaching on the Seven C's of the Bible, with Creation and Corruption being our main focus over the last two months. These two topics are encapsulated in the book of Genesis, the foundational book of the Bible. We see how God created the heavens and the earth, and why God would eventually send Jesus to the earth to redeem mankind from their corrupted state that resulted from Adam and Eve's sin. It is important that we know the truth of these stories as we live in a world that increasingly rejects and challenges the authenticity of the Bible, especially the book of Genesis. The reality is that our youth today are bombarded with the theory of evolution that completely contradicts God's Word. Unfortunately, many Christians today have compromised the truth for this false ideology by claiming that creation took place over millions of years rather than a few days. It is important that we as Christians know the truth of these foundational parts of Scripture so we are not so easily deceived into accepting false ideas that clearly contradict the Bible.

GETTING TO KNOW YOU

Sharon Long

Let me introduce you to this energetic and positive New Life member, Rachael Schick. Rachael recently completed the new membership class and is excited to be a part of our fellowship. She reports that "she loves being a part of this church and everyone is so friendly and welcoming." She grew up in Lima, then around the Cridersville / Wapakoneta area. Rachael was raised mostly in Baptist Churches and says she is blessed to have been raised in a Christian home. She has 10 siblings and enjoys family get togethers. She is not married, but would like to be in the future, if the Lord is willing. Rachael has worked at McDonald's for nearly 12 years, and has been a manager for several of those years. She recently was recognized as "manager of the month", and says she loves her job! Rachael is also pursuing her master's degree in counseling and has almost completed it. She desires to help people overcome past and present challenges, transformation in others' lives. Rachael reports she is an introvert, but and she is a great connecting with people and building relationships. Rachael is unable to have pets at her current apartment, but loves dogs, especially boxers. She frequently gets to see her parent's boxer. When asked what her favorite vacation was, Rachael states it was her senior trip with two of her best friends driving to Florida. She can't believe their parents allowed these 18-year-olds to do this! They went to Epcot, then visited Nashville on the way back. She says she loves to travel and her favorite place is Michigan. When asked what her giftings were and how she would like to serve in the body of Christ, Rachael was unsure and said she is still learning to hear the voice of God. She reports she loves people and wouldn't mind being a greeter or helping with youth. Rachael is a great asset to our local body. If you haven't met this wonderful sister in the Lord, be sure and greet her at the next service.

PROPHETIC WORD FOR NEW LIFE

Prophesied by Kerry Kirkwood

I hear the Lord saying, the reason why you feel refreshed here is because this is one of the wells which Jacob mentioned, **Rehoboth** (spacious, wide places/streets) which He says, "I've given you room." It's a well where the Holy Spirit has room to dwell and exist. It's a well of refreshing that's always revelatory. There's only a couple of places where I go, whether I'm in a room or the middle of a worship service, where I could be taking notes. This is one of those places where a well of refreshing that you guys have contended for and kept refreshed by hunger and thirst for that. You've been well fed!

This church will be as a well, but I call you to be a vine planted by the well that will go over the wall, that you'll go over the wall and be able to transport what the Lord is doing from this well and other places and by that you're going to have well-watered gardens, and you're going to see the kingdom of God.

*I've
given
you
room.*

I pray right now, the infusion and the filling of the Holy Spirit to be upon this house and to be upon leaders in this place. Let the power of your grace, oh, God, be upon this house
