THRIVE YOUTH CORNER

We have had some great lessons recently at Thrive, covering a wide variety of topics that are very relevant and even essential for our youth to learn and understand. One of these important topics we have been studying is about how to hear God's voice. Using some of the content from one of Destiny School of Ministry's classes on the subject, the youth have learned the four important keys to hearing His voice: Stillness, Vision, Spontaneity, and Journaling. First, we must quiet ourselves and remove ourselves from anything that might distract us. Second, in the stillness, we ask God to give us a vision, as He not only speaks to us in words, but often times in a vision as well. Next, we need to tune in to spontaneity, because God may want to speak to you differently than you expect Him to. And lastly, we need to write down what the Lord speaks to us in a journal, so we can go back and remember the words He speaks to us!

WOMEN’S MINISTRY

Joan McPherson

The New Life women’s meetings will commence in October. We will be meeting every third Tuesday of the month with the first meeting being held at the Worship Center on October 21, from 6-8 pm. The theme this year is “*A Year of Questions*.” Each month we will discuss a question from the Bible that God asks His people. Along with refreshments, conversations and enjoying the presence of the Lord we will be discussing “*the questions*.” We’ll have fun as we spend time together and grow our friendship circles! We will also be providing social outing adventures during the year. Keep an eye out they might come up quickly! Watch the newsletter and don’t miss out. So to kick off the “*Year of Questions*” first question. The first

question for discussion is the first question in the Bible; the question that God asked Adam in the garden. “Adam, where are you?” So the question for you is “Where are *you*?” Take your time and think about it. It might seem like an easy question, but think twice and then think again. Hope to see you on October 21, at 6:00 pm. Our first social outing adventure will be on October 25, when we have a “*Wapak Day*.” Sign up for this social outing on the sign up sheet at the Welcome Center Desk. Hope to see you there!

MISSION IN THE PHILIPPINES

Pastor Jason

The Lord moved mightily on the recent trip to Davao City, Philippines. We ministered A LOT and got very little rest, but it was VERY fruitful in cultivating new relationships! Jim and Joy MacInnes have been a part of ATM for many years, as they formerly had a church in Florida that I ministered at yearly. They moved to the Philippines (Joy’s home nation) over 3 years ago so it was great to see them again!

Mango Christian Radio Show

HG Strickland and I landed Sunday early morning and after 3 hours of sleep we got up and each ministered twice apiece in 2 churches. The week also featured: a 2 hour radio interview on Christian radio, ministering at a pastors/leadership conference of 60+, teaching a women’s leadership

meeting of 20+, hosting a Work is Worship conference

Students at the school

for 550+, and tons of personal ministry to other leaders.

We also got to minister to teachers and students at a Christian school in the middle of a mostly Muslim area of Davao. Most of these kids are from an area tribe that still practices child marriage where girls and boys both are expected to marry in their mid teens! This is beginning to change with education efforts.
