Let's start gearing up for our winter camp at Michindoh! It has been a few years since Thrive/ATM has attended Camp Michindoh, which is located near the intersection of Michigan, Indiana, and Ohio (hence the name). We as leaders are excited because this retreat is usually a more relaxing and fellowship based time with the kids. More teaching and activation seems to happen due to being indoors more and we don't typically have teams, points, competitions, etc. We encourage every youth to make camps a priority by studying and preparing their hearts beforehand, then engaging and participating to grow closer to Jesus. He is the reason we are here and desires ALL of our hearts rather than just part. This is a time that we typically don't have in our schedules to leave normal routine life behind and really engage with the Spirit of God. We have seen many people healed, delivered, prophesied over, and ministered to in the past. This camp will not see any less, rather, more of the supernatural happening from Heaven. Our Father wants to bless us. The easiest thing for us to do is to show up with willing hearts. Be looking out for upcoming specific details for our trip on January 16-19!

We will be printing our annual "Classified Ad" insert page in January. This is a list of church members who have a business or a service they would like people to know about. We really want to bless those in our own body first if we can. Anyone wanting to advertise will need to submit an **electronic** business card sized ad to Nichole by January 8, 2026, at atmoffice@atmintl.org. If you submitted one for the last ad, please send an email letting her know you wish to place the ad again or if there are any changes to it. Those not responding will be removed from the ad.

All tithes and offerings to be credited to tax year 2025 will need to be in the church offering no later than Sunday, December 28, 2025. All checks written after this date will be credited towards 2026 since we will be unable to process them due to the Holiday. Thank you for your understanding in this matter.

PROPHETIC WORD (PART 2)

Diane Cramer

What I am feeling from the Lord right now is that the Holy Spirit is about to have an assault on the kingdom of hell in this area. There will be satanic groups, witches, warlocks, covens, worshippers of all that is evil, that chaos will begin to happen within their midst, and there will be a lot of distraction and a lot of disassembling. Father God wants you to know that you are to be there to pick up those pieces, to bring

"greater is He that is in you, than he that is in the world." Just realize that God is doing a cleanup in this city and in this area. For the wicked one here in Celina is coming to an end of days for this season, says God. The Holy Spirit is going to be poured out onto these people by you and you and you, and there's going to be a great revival to draw them from darkness into light, in the name of Jesus, and because of Jesus, and for Jesus's

Come before His throne boldly...and don't be proud, but be humble and yet bold as you come in contact with these situations, because God is about to do a mighty work, and the kingdom of darkness is going to be brightened up because of the saints of God.
