

We are doing a NEW THING!!! This space is now our Testimony Corner. It is good to testify of the great things God has done for us. When we hear what the Lord has done for others, it helps build our faith knowing that God can do the same for us. Psalms 105 says, "Oh give thanks to the Lord; call upon His name; make known His deeds among the peoples! Sing to Him, sing praises to Him; tell of all His wondrous works!

Here are some key elements for a strong testimony:

- 1.) Keep it relatable
- 2.) Be specific
- 3.) Be concise

We would love to hear from you. If you want to share what the Lord has done for you, please submit your testimony for approval to our office email at: atmoffice@atmintl.org

When you are in the mission field you have to know how to make a stand for God and truth! 2 Timothy 2:15, "Be diligent to present yourself approved to God, a worker who does not need to be ashamed, rightly dividing the word of truth."

GETTING TO KNOW YOU

Sharon Long

Let me introduce you to an awesome single guy from Wapakoneta, Teddy Dahlke. He is the oldest son of Theodore and Carolyn Dahlke. Teddy grew up in Lima, then lived in Findlay for about 10 years while going to college and working at the hospital there. He has worked in healthcare since graduating college in 2015, most notably as an IT analyst at Blanchard Valley in Findlay, then starting a career at Cerner/Oracle as a Charge Services Consultant. Teddy enjoys meeting people from the different hospitals he has worked in. Teddy attended several different churches while living in Findlay, but came back to New Life since he moved back

Something we may not know about Teddy is that in June of last year, he bought his grandparent's house in Wapak. He and his family held family holidays all while growing up, so it has been very cool turning his house into his own and continuing family traditions there. He says within his gifting/strengths, he has a very analytical mindset, so working as a consultant provides challenges to approach problems at different angles which he finds very enjoyable. When asked where he would like to serve in the body of Christ, Teddy states he thinks volunteering at church functions would be fun. He says he does not have many hobbies, but he does enjoy his work and relaxes by playing video games and watching movies. Teddy says he is always excited to learn something new. Although he is single, it is not quiet around the house with 3 dogs living there, namely Millie, Loki, and Lucy. Make sure you greet Teddy at the next service if you haven't previously met him. He is a great asset to our local church family!

RECAP OF MY KOSOVO MISSION

Hailey Schroer

Hello, New Life church family! I'm writing to recap the Kosovo mission trip I recently returned from. The GEM Kosovo team currently has 6 members, including Pastime and Nora Semolina, who are natives of Kosovo. They have 4 amazing American women working with them.

Each individual on the team has unique gifts and talents, and because of this, they have many different ministry avenues, including kid's club, youth group, college ministry, sports ministry, teaching, and several more! They involved the Taylor team in their efforts by putting us in charge of planning events for the kid's club, youth group, and college ministry. We also organized a trivia night hosted at a coffee shop. Pastime owns an event planning/decorating business and uses the profits to fund their ministries, so we also took down loads of Christmas

decorations in two hotels in Pristina.

What touched me the most from my time there was the church services we attended. Everyone was very welcoming and I didn't feel like a stranger; witnessing how tight the family bond is between Christians was impactful.

I believe that God is getting ready to do amazing things in Kosovo, and I'm so glad that I now have the privilege to pray for their country and people in an informed, loving way. Thank you for all the prayers and support! I recognize that I wouldn't have gone on this trip without all of you. It's difficult to describe how amazing the trip was in two short paragraphs, so if you want to hear more, please reach out to me; I'd love to meet up and chat with anyone! May the Lord bless you and may you continue to believe for more of Him in 2026!
