It's that time of year again for our New Life work day! Meet at the Worship Center at 6 pm. Hotdogs and hamburgers will be provided. All abilities and skill levels are encouraged to come; there is plenty of work to be done!
(Rain date - May 20).

We concluded our discussion on apologetics this month. Ella shared her experience about going on the Created Equal Justice Ride, talking about faith and abortion, then passing that learning to students on college campuses. God is doing amazing things through this ministry! We were so blessed with several impactful small group discussions the last two months as well. For the girls group, they were challenged with how they know God is real and we encouraged them to share testimonies of the miracles they have seen in their lives and families. Several shared that because of one or more of their family members turning to Jesus, how that has trickled down with huge gains for their families. One person accepting Jesus has literally changed their family tree and the dynamics of their family. Some shared vulnerable stories of trial and how they have been trusting God to see them the rest of the way through. There is much power within these groups and encouragement that the youth offered each other. God is moving in the hearts of our youth and we love seeing the fruit of what we've been planting over the years.

JIM TEGELHUTTER RECAP

Pastor Doyle

In the past there have been outpourings of the Holy Spirit that have not only transformed lives, but impacted cultures and nations. God moved in such a way that hearts were ignited to such a degree that meals were forgotten, time was forgotten, and the only thing that mattered was Jesus. God used the Great Awakening, 1720-1740, in the northern colonies to set a foundation for our future nation. “Authentic Holy Ghost revival is a sovereign outpouring of the Spirit of God that produces deep conviction of sin, radical repentance, public transformation, and sustained obedience to Christ without hype, manipulation, or human orchestration. It exalts Jesus, restores the fear of the Lord, disrupts cultural Christianity, and leaves communities measurably changed long after the meetings end.” Ps. 85:6 (Amp), “Will You not revive us and bring us to life again, that your people may rejoice in You?” In 1949, at the beginning of the Hebrides revival, a deacon stated, “it is hypocrisy to pray for revival while not being rightly related to God.” That statement led to throughout the islands and a God. We are in a spiritual begins to move, expect that battles may be won for revival will involve deep repentance and humility. Christ and the beauty of evident. There will be a

hunger for genuine prayer and intercession. In past revivals there have been miracles and manifestations of the actual presence of God. Those touched by the power and presence of God will embrace the holiness of God. Lives will radically be transformed as God writes upon the hearts of the believer, “I delight to do Thy will.” When Jesus shows up, things change, and there will be fruit that remains. There is no set formula for a revival. It is a genuine work of the Holy Spirit. We must pray and believe God for it because we need it (II Chronicles 7: 14). Our cry for a spiritual awakening brings us into an alignment with the will of Our Father. God loves people, Jesus loves people, and we must love people. To position ourselves in the right place to receive from God, we must answer 4 questions. 1). Is there anything in me that would hinder a move of God? 2). Do I have a hunger for the manifest presence of the Lord in my life? 3). Is there any hidden, cherished sin I entertain in my life? 4). Am I honestly willing for the Lord to break my heart over lost souls? God has orchestrated that we have a part to play in the coming of the Kingdom of God here on earth. Jeremiah 33:3, “Call to Me, and I will answer you, and show you great and mighty things, which you do not know.” Therefore, WE PRAY! God answers!

“SINNERS IN THE HANDS OF AN ANGRY GOD”

Pastor Doyle

Jonathan Edwards preached this message on July 8, 1741. It has been said that it is the most famous message ever preached in America. As we are speeding toward the fulfillment of all the prophecies that will be fulfilled in the near future, may God grant us the ability to be sober minded. The Day of the Lord’s vengeance is set in the calendar of God. Isaiah 13:6-11 speaks of this future event. In the following 10 main points of Edward’s message, he articulates the sinfulness of men and the coming judgement if they fail to repent. There is nothing that keeps evil men at any moment out of hell, but the mere pleasure of God. 1) There is no lack of power in God to cast wicked men into hell at any moment. He can, at His choosing, do it easily. 2) They deserve to be cast into hell, so that divine justice never stands in the way. It makes no objection against God’s using His power at any moment to destroy the wicked. Luke 13:7. 3) They are already under a sentence of condemnation to hell. John 3;18, “He that believeth not is condemned already.” So every unconverted individual properly belongs in hell. 4) The only reason that the wicked don’t immediately fall into hell is because of God’s mercy. 5) The Devil stands ready to fall upon them and seize them as his own, at what moment God would permit him. 6) There are in the souls of wicked men those hellish principles reigning that would presently kindle and flame

out into hell fire if it were not for God’s restraints. The heart is deceitful and wicked in carnal men and it is the seeds of hell fire. Isaiah 57:20-21. 7) It is no security to wicked men for one moment that there are no visible means of death at hand. Everyone is on the brink of eternity. 8) Natural men’s prudence and care to preserve their own lives, or the care of others to preserve them, do not secure them a moment. Ecclesiastes 2:16. 9) All wicked men’s pains and schemes which they use to escape hell while they continue to reject Christ and so remain wicked men, do not secure them from hell for one moment. Almost every natural man who hears of hell flatters himself that he shall escape it. He takes confidence in his own security. He flatters himself in what he has done, in what he is now doing, or what his intentions are. Everyone lays out this eternal matter in their own mind on how they will avoid damnation and make it into heaven. He will make sure of his salvation. What foolish delusion! 10) God has laid Himself under no obligation, by any promise, to keep any natural man out of hell for one moment. Therefore we can say, natural men are held in the hand of God over the pit of hell. In conclusion, let everyone who is outside of Christ awaken, flee from the wrath to come and fall upon the mercy and grace of Jesus Christ. Ephesians 2:8-10.

There is nothing that keeps evil men out of hell but the mere pleasure of God
